Kristina Hargrove, Executive Secretary

Dear Kristina,

It is with sadness I must tender my resignation from the Board Of Behavioral Health effective immediately. As you know my husband and I have relocated and although we still have our home here in Mount Shasta, San Jose is now again our primary residence.

I have enjoyed these past several years of service on this board and I wish for its continued growth and success. Please let the current membership know how much I enjoyed serving with them.

I would especially like to thank Dr Collard and her team for the wonderful service they continued to provide to our community. I have learned so much from them.

Sincerely,

Lise Rogers
