Project Title: Wastewater Treatment Plant (WWTP) Improvement Project

Project Applicant: City of Dunsmuir

Project Location: The proposed project is located in the City of Dunsmuir and in unincorporated areas of Siskiyou and Shasta Counties in Sections 1 and 24, of Township 38N, Range 4W, MDM.

Project Description: The project includes improvements to the City's Wastewater Treatment Plant (WWTP), including installation of a new headworks, screen, Parshall flume, grit removal chamber, selector, and lift station; construction of a new office/laboratory building; construction of a new dechlorination building with sodium bisulfite equipment and a dosing system; construction of a new solids handling building; removal of accumulated sediments from the percolation ponds; and raising the dikes around three of the percolation ponds; installing groundwater monitoring wells; and constructing a new outfall south of the existing outfall. The improvements will replace aging and inefficient equipment, improve the treatment process, and ensure compliance with Central Valley Regional Water Quality Control Board requirements.

This is to advise that the City of Dunsmuir City Council (Lead Agency) approved the above-described project on May 7, 2026, and made the following determinations regarding the above-described project.

1. The project will not have a significant effect of the environment.
2. An Addendum to a previously adopted Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. ~~A Statement of Overriding Considerations was not adopted for this project.~~
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Mitigated Negative Declaration and record of project approval are available to the General Public at:
