

Q & A Document

Q: Is vendor required to be located within Siskiyou County?

A: No, there is an optional 'Local Preference' consideration available to eligible vendors, but it is not required. Requirements for this consideration are listed in Attachment C.

Q: What function(s) are desired from the installation mentioned in General Information, Section 1.e.?

A: The desired outcome for this addition is to be able to manually switch on/off cargo, lights, dome lights, and mute chimes when appropriate.

Q: Would the County be willing to accept a Ram 2500 or Chevrolet Silverado 2500 of equal or greater specifications to the Ford F-250 currently requested?

A: This request is only for a Ford-F250.
