

## **Questions and Answers to RFP #25-107010-14**

**Question: Are the fire alarm and security systems that are currently installed non-proprietary systems?**

Answer: Unsure of this. Bay Alarm and Hue and Cry are our current vendors

**Question: Confirming cameras need are just on the couple of buildings County marked on the list.**

Answer: Priority needs for cameras are marked on Exhibit B.

**Question: Is there a preferred manufacturer for the new systems that will be installed?**

Answer: We have no preferred manufacturer.

**Question: Are there current systems installed at these facilities and if so, what are they?**

Answer: There are systems in some of these buildings we will get updates from the department and update you with that information.

**Question: Will the county accept cloud-based solutions?**

Answer: Yes.

**Question: Depending on the questions that are asked and then answered on the 20th, would it be possible to get an extension on the submission date?**

Answer: Currently there are no plans for an extension, but we will update the website if there is.

**Question: Are all buildings needing service that are listed on Attachment B?**

Answer: Please focus on the priority building noted on Attachment B, other buildings will be addressed after these buildings.
