

Notice of Public Hearing

Notice is Hereby Given that the Siskiyou County Planning Commission will hold a Public Hearing on **Wednesday, November 19, 2025, at 9:00 a.m.**, or as soon thereafter as the matter may be heard, in the Siskiyou County Meeting Chambers, 311 Fourth Street, Second Floor, Yreka, California, on the project described below.

Yreka Union Telecommunication Use Permit (UP-25-01)

Project Location and Description: The project site is located at 943 Highway 263, Yreka; APN: 013-530-290; Township 45N, Range 7W, Section 15, MDBM; Latitude 41.7480°, Longitude -122.6362°. The applicant is requesting use permit approval to develop the project site with the installation of a new, unmanned telecommunications facility within a fenced 50-foot by 50-foot lease area. The telecommunication facility would primarily include a 100-foot-tall faux windmill lattice tower with twelve antennas, 12 remote radio units, one microwave dish, and accessory equipment. At the base of the tower, equipment cabinets and a generator are proposed. Space on the tower and on the ground is intended for co-location by other telecommunication providers in the future.

It is anticipated that the proposed use permit will be determined to be categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15303, *New Construction or Conversion of Small Structures* and 15304, *Minor Alterations to Land* of the CEQA Guidelines. A “categorical exemption” implies that the project will not result in any significant adverse environmental effect. The Planning Commission will consider the appropriateness of said environmental recommendation based on the record of evidence before them. If substantial evidence has been presented demonstrating a more appropriate environmental determination than the one that has been recommended, the Planning Commission may require and/or approve an alternative environmental determination pursuant to the requirements of CEQA.

Project documents, which include the project application, circulated CEQA documents and any other non-draft documents, are on file at the Planning Division of the Siskiyou County Community Development Department, 806 South Main Street, Yreka, California, 96097, and are available for public review upon contacting the staff planner. A staff report and all attachments will be available for public review three working days prior to the Planning Commission meeting either at the Planning Division office or online on the Siskiyou County Planning Commission’s: [meeting](#).

All items presented to the Planning Commission during a public hearing, including but not limited to, letters, e-mail, petitions, photos, or maps, become a permanent part of the record and must be submitted to the Clerk of the Commission. It is advised that the presenter bring 12 copies of anything presented to the Commission and that the presenter create copies in advance for their own records.

All public records related to an open session item on the Agenda which are not exempt from disclosure pursuant to the California Public Records Act that are distributed to a majority of the legislative body will be available for public inspection at 806 S. Main Street, Yreka, CA 96097, at the time that the public records are distributed or made available to a majority of the members of the legislative body.
