Tatom Boundary Line Adjustment (BLA-25-23)

Project Location and Description: The project site is located at 391 Haul Road, in the unincorporated community of McCloud on APNs 049-051-280, 049-062-470, 049-062-620, 049-062-540; T39N, R2W, §6, M.D.M.&B.; 41.2556, 122.1237

The applicant is requesting boundary line adjustment approval to reconfigure two existing parcels into one 16.88-acre parcel and one 14.47-acre parcel with double frontage. The project is zoned Single-Family Residential (RES-1) and Rural Residential Agricultural, 2.5-acre minimum parcel size (R-R-B-2.5).

It is anticipated that the proposed project will be determined to be categorically exempt from the California Environmental Quality Act (CEQA) because the project is a minor lot line adjustment involving properties with an average slope of less than 20 percent and will not result in a change in land use or density, pursuant to CEQA Guidelines Section 15305(a), Minor Alterations in Land Use Limitations.

Project documents, which include the project application, circulated CEQA documents and any other non-draft documents, are on file at the Planning Division of the Siskiyou County Community Development Department, 806 South Main Street, Yreka, California, 96097, and are available for public review upon contacting the staff planner. A staff report and all attachments will be available for public review three working days prior to the Planning Commission meeting either at the Planning Division office or online on the Siskiyou County Planning Commission's [meeting page](#).

All items presented to the Planning Commission during a public hearing, including but not limited to, letters, e-mail, petitions, photos, or maps, become a permanent part of the record and must be submitted to the Clerk of the Commission. It is advised that the presenter bring 12 copies of anything presented to the Commission and that the presenter create copies in advance for their own records.

All public records related to an open session item on the Agenda which are not exempt from disclosure pursuant to the California Public Records Act that are distributed to a majority of the legislative body will be available for public inspection at 806 S. Main Street, Yreka, CA 96097, at the time that the public records are distributed or made available to a majority of the members of the legislative body.

Any concerns or issues relating to the application must be raised during the public review period or at the public hearing. Public comments can be submitted via mail or hand delivery to the Planning Division (806 S. Main Street, Yreka, CA 96097) or email to planning@co.siskiyou.ca.us. Please include your name and physical address. Comments must be received by the County by 5:00 p.m. the day before the public hearing. If you challenge either the proposed project or the project's environmental document in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to Planning prior to or at the public hearing.
